

Global School Partnerships 'Reciprocal Visit Grants'

Reciprocal visit grants are for young school partnerships that have usually been working together for approximately six months. The partnership must be in the process of laying the foundations for long term collaborative work that will embed a global dimension in the schools' curricula. Reciprocal visit grants are for young partnerships that have usually been working together for approximately six months. The partnership is in the process of laying the foundations for long term collaborative work that will embed a global dimension in the schools' curricula.

- **Application Deadlines:**

Rolling grant from 1st November 2011-9th January 2012. Early applications are encouraged.

- **Who can apply:**

Registered schools with the Global School Partnerships programme, who have been in partnership with a school for approximately 6 months. For more information about registering your school on the Global School Partnership programme click [here](#).

- **Grant application support:**

Prior to making an application, grant seminars and twilight sessions are being hosted to offer support and guidance. The sessions are designed to support your partnership, help you understand projects focused on global education and enhance your ability to submit successful GSP applications. Grant twilight sessions will be hosted in Glasgow on 27th October, Aberdeen on 31st October and Edinburgh on 1st November. To book a place click [here](#).

Further information on other dates and venues of additional grant support seminars will be available shortly.

For more information on the application procedure, grant preparation support and further details visit [Apply for a Reciprocal Visit Grant](#), or contact globalschools@britishcouncil.org
