

What would
you like to see
from COP26 -
that reflects
the priorities of
Malawi?

How would you like the
SMP to work towards
climate justice?

More of women and youth empowerment

Hold the government accountable/ big corporations

Empowering community to have the capacity to demand what is fight for them

Acting fast

Tax the torys

Show up speak up and make up

Keeping taking action!

Decision making

Great work!

Involve youth

Organise & liaise

Working close with are partners to understand what needs to be done

Improving action on accountability

Hold govt to their commitments to civil society bodies

Enducation in young people about ways they can help

Education in the next generation

Action!

Promote the partnership to youths

Targeting youth members to keep the next generation involved

Involving the engine widows

Empower local sustainability

Education

With the benefit of Malawians in mind and at the heart of the work going on

Increase awareness

Collaboration

Stick to their promises

Meet their commitments

Don't accept green washing,
hold those in power
accountable

Inclusion and cooperation
among scottish and Malawian
charities and organisations

to work alongside the youth as
we are the future

Choose now, rather than later.
Get food of plastic food
packaging and get rid of as
much plastic as possible.
Encourage reusable products
in all nations.

Help to involve young people

Renewable energy, stick to
their promises, empowering
people to better themselves
and their economy

Acting fast and efficient
