

Government of Malawi

MoA/050522095

Reg No.: ATCC-220224 161221 022001SFT

Be it known that

Ministry of Agriculture

Has granted a technology registration certificate to

Tiyeni Organization

on

Deep Bed Farming System

a new sustainable and profitable technology package that involved deep tillage to break the hard soil hard pan in the first year for cereal and legume crops in Malawi.

***upon receiving the recommendations made by the Agricultural
Technology Clearing Committee (ATCC)***

on

16th December 2021

***for its commercialization and promotion among the farmers in
Malawi***

Secretary for Agriculture

ATCC Chairperson
