Hello everyone there.

My name is Ellaton Siyabu(English and geography teacher at mcv)

I write to thank the entire management of George Watson college for your visit here in Malawi especially here at MCV. On a special note for the gift of books you gave us (both the ones you came with and ones you bought here). You really boosted our library. We are grateful. Your students were wonderful too. We enjoyed the interaction. We hope that the bond between you and us will get stronger day by day. We hope also that you will continue visiting us.

Kindly regards..
